

PUTTING IT INTO PRACTICE

THE 2011 CULTURAL COMPETENCE CONFERENCE

Call for Proposals - The 3rd Cultural Competence Conference

PROGRAM DESCRIPTION

This conference will focus on expanding the knowledge of mental health, developmental disabilities, and substance abuse providers on the practice of providing cultural competence care. Professionals will learn specific strategies on how to practice cultural competent care with diverse consumers.

OBJECTIVES

- Increase the awareness of and sensitivity toward diverse populations and cultures
- Identify treatment strategies used with various populations & cultures
- Identify key components necessary in developing an agency specific cultural competence plan

TARGET AUDIENCE

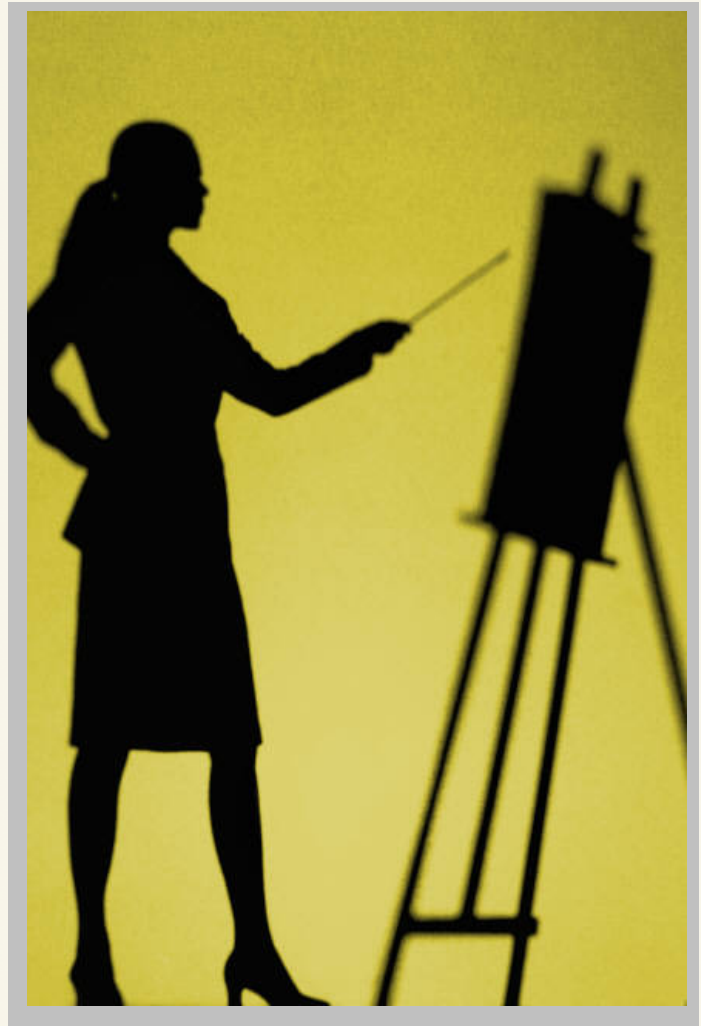

Case managers, social workers, psychologists, psychiatrists, educators, mental health professionals, and other health care professionals.

If your proposal is accepted for presentation, you will receive information about the presenter registration process.

Submit Mail-In Application by December 31, 2010 or Online Applications by January 31, 2011

Notification of acceptance or rejection by March 31, 2011.

If you need any additional information, please call Vanessa Colón 704-721-2707 or vanessa.james@pbhsolutions.org
