

**PBH Communication Bulletin FY 1112 NM 18
Medication Access to Low Income Clients**

Date: January 9, 2012

To: PBH Network Providers

From: Nicole P. McKinney, PhD, LPC
Corporate Network Operations Director

RE: Provider Resource - Medication Access to Low Income Clients

There are more than 1.1 million low-income, uninsured people in North Carolina. National numbers show that almost half of the uninsured have at least one chronic illness. The Urban Institute projects that 734,000 North Carolinians will remain uninsured after health reform is implemented.

Please refer to the link provided below which outlines community resources for patients who do not have health insurance or qualify for Medicaid:
