RE: Rate Decreases – YM811 and YM812

---

As many of you are aware, PBH has received substantial reductions in state funding and has frozen and/or limited certain state funded services in an effort to offset the reductions.

After reviewing the impact of these service changes, PBH has determined that further reductions are necessary. The decision has been made to reduce the higher levels of Supervised Living funding for one and two person homes. Effective, February 15, 2010, the standard rate for Supervised Living for 1, 2, or 3 person homes will be \$116.15 per diem.

The rate changes effective February 15, 2010 are as follows:

Service Code	Description	Old Rate	New Rate
YM811	Supervised Living – 1 resident	Various	\$116.15 per diem
YM812	Supervised Living – 2 residents	\$161.99 per diem	\$116.15 per diem

Please ensure that all billing for dates of service February 15, 2010 and forward indicate the new rate. If billing rate submitted after February 15, 2010 is higher than the new rate, reimbursement will be at the lower rate.

Please refer any questions you may have regarding this communication to your Provider Relations Manager.

Thank you.
