## PBH NETWORK OPERATIONS COMMUNICATION BULLETIN

FY-0809-NM-08

**TO:** PBH Network Providers  
**FROM:** Chuck Hill, Coordinator for Data Analysis and Decision Support  
**SUBJECT:** Official Name Change to PBH  
**DATE:** April 23, 2009

---

In 2007, the decision was made to trademark PBH as a permanent and unchanging name, which could be utilized regardless of PBH's future organizational changes. Effective March 17, 2009, the process was completed for PBH's final, and permanent, name change. Accordingly, all future correspondence, documentation, and even verbal references will reflect PBH and discontinue further use of "Piedmont Behavioral Healthcare" and "Piedmont Area Mental Health, Developmental Disabilities and Substance Abuse Authority." This name change will have no effect on the status of your contract with PBH nor will it require amendment to or reissuing of your Provider Contract to reflect the name change. Please note that any future Contract Amendments will reflect PBH. If for some reason your Provider Contract requires renewal or must be reissued, the new documents will reflect the name change to PBH.
