**Re: Recruiting New Network Council Members**

The Network Council is seeking new members for the Network Council. The Network Council serves as a fair and impartial representative of all service providers within the Network. The Network Council facilitates open exchange of ideas, share values, goals, and vision and promotes collaboration and mutual accountability among providers. The Network Council strives to achieve best practices to empower consumers within our community to achieve their personal goals. Currently there is an opening for a Developmental Disability provider and a Licensed Independent Practitioners (LIP). If you are interested in serving on the Network Council please contact Shelby Marlow at 704 721-7066 or by email at [shelby.marlow@pbhsolutions.org](mailto:shelby.marlow@pbhsolutions.org) by Friday November 13<sup>th</sup>.
